

# The new AZL networking tool for you to meet other participants in 1:1 video meetings

Developed based on the AZL network's demand for digital networking

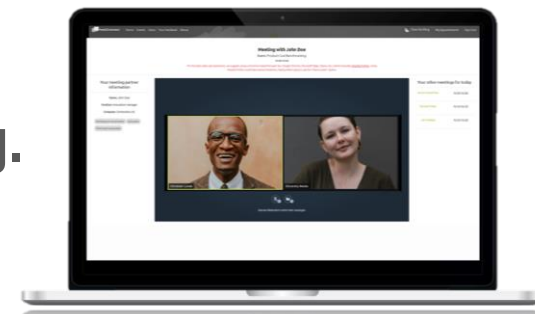

Launch in March for the AZL Workgroup Meetings

# Meet other participants in effective 1:1 video meetings

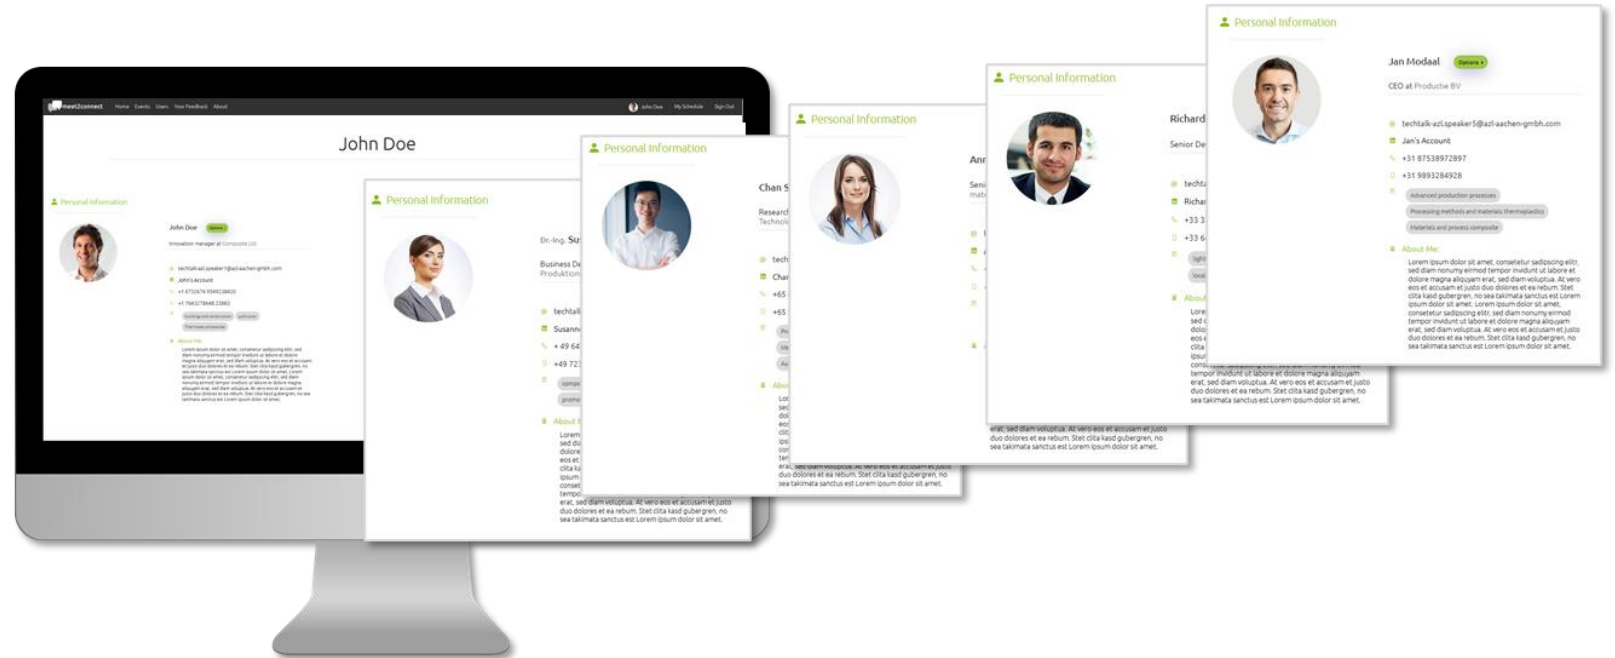

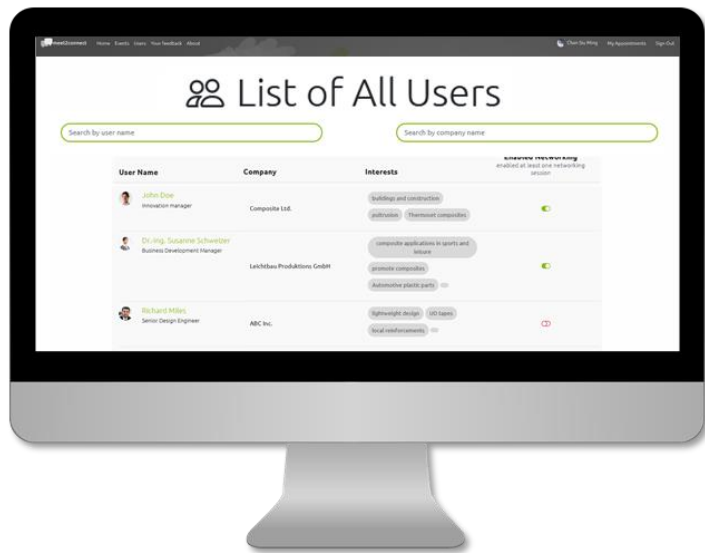

- Register for a meeting and see all participants including their interests and contact details.
- Easily book a short 1:1 video meeting with other participants during a dedicated networking session.
- You choose yourself who to meet, no automated speed dating.
- Other participants can book meetings with you via your automatically generated schedule.
- Meet in private, highly secured video meeting rooms

**The idea is to match interests and effectively arrange a follow-up meeting.**

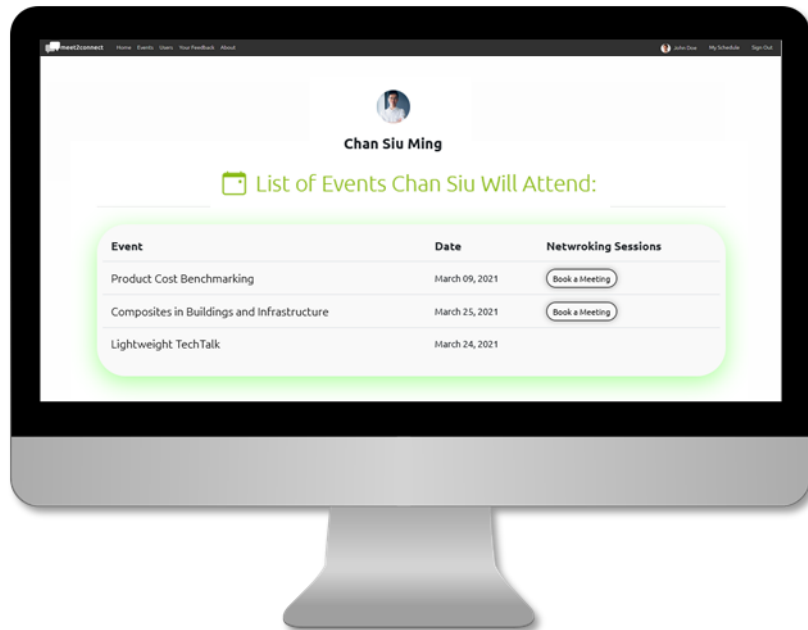

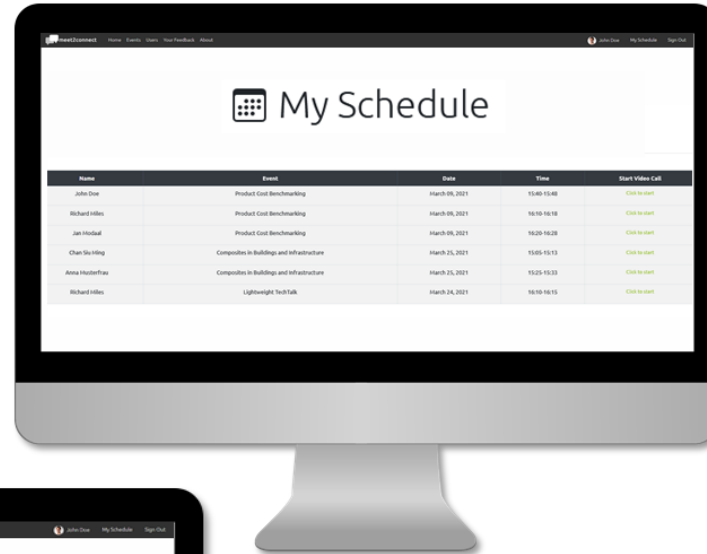

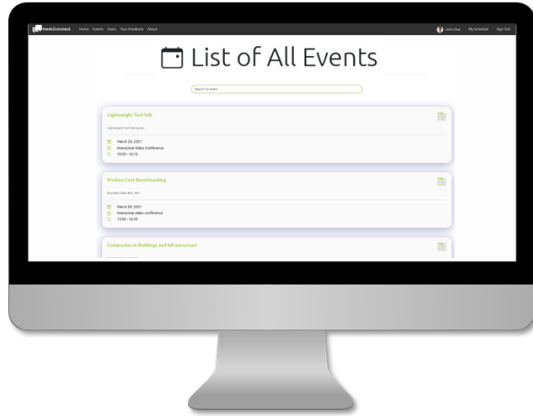

# Easily find lightweight and industry experts

- Even if you will not be able to meet in a specific event, you can still contact experts of the AZL Partner Network.
- Just browse the users and their interest using the search function.
- After finding a match, find the contact details such as e-mail, LinkedIn, phone (user decides what to share).

# Your new place to register for all AZL partner events

- Register for all AZL events in one place.
- Personal schedule of all your booked 1:1 video meetings and events you have already registered for
- The well-known [AZL Partner Section](#) comprising all presentations, minutes and results of more than 7 years of collaboration is still available for AZL Partner Companies with your usual login.

# Test and use the networking tool with us during the upcoming workgroup meetings

1

**Set up your account and password** via the link sent to registered participants

2

**Fill your profile** with your interests and contact data

3

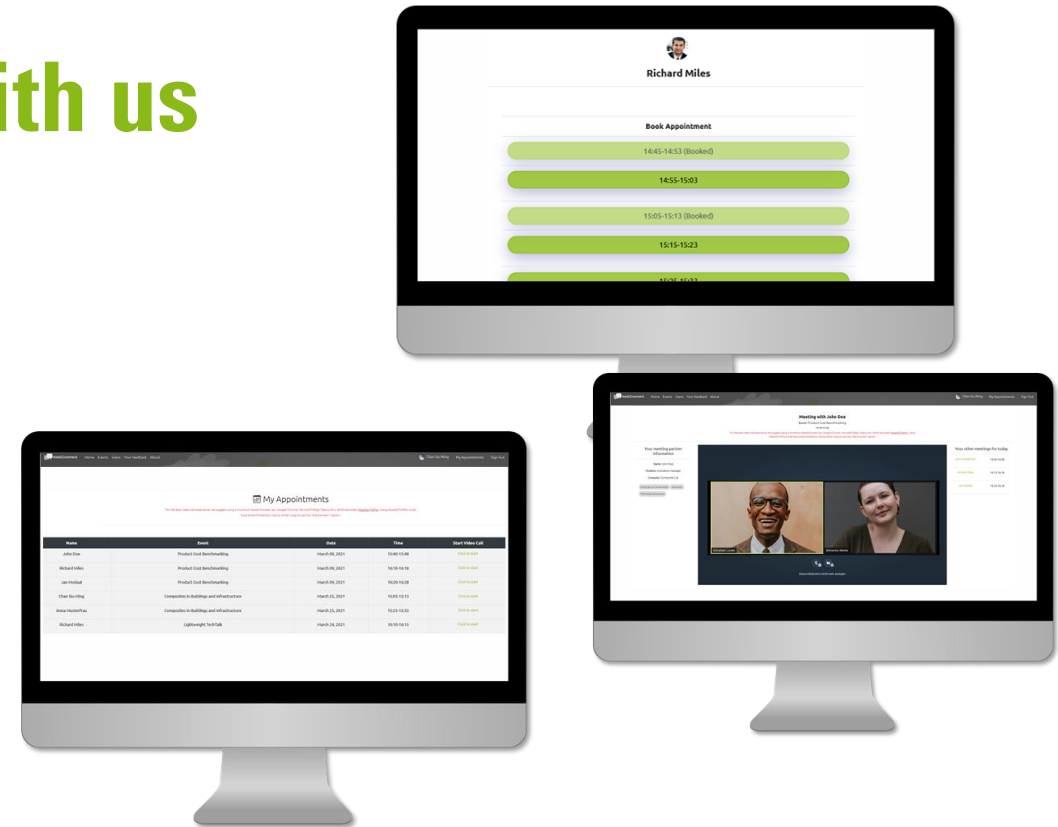

**Register for the event and enable 1:1 video meetings**

4

**Book an 8-minute slot from a participant's calendar** in the dedicated networking session

5

**Introduce, exchange to match interests, decide on next steps and effectively arrange a follow-up**

## A few tips for a smooth participation in your meetings

- Use a chromium-based browser (e.g. Google Chrome, Microsoft Edge, Opera)
- Make sure to log in to the networking tool before the event starts.
- You can test the video call environment (using jitsi) right after you scheduled a meeting. Just open the call anytime via the link.
- Please manage the time and the meetings by yourself.
- To include colleagues to 1:1 video calls, you can copy the link of the video call in the video meeting interface after joining the meeting.

# And what comes next?

## How we will use the tool in our collaboration

Digital and hybrid elements will be highly relevant in future AZL meetings. That is why we are expanding our successful digital collaboration strategy using interactive video conferences to also enabling extended 1:1 networking. For the future, we can thus also enrich our valued face-to-face meetings with digital networking.

### Initial AZL test meetings (March)

- **Product Cost Benchmarking**  
March 3<sup>rd</sup>, 2021
- **Composites in Buildings & Infrastructure**  
March 25<sup>th</sup>, 2021

### Roll-out for the entire AZL network (Beginning of April)

- From April on, the AZL networking tool will be the **place to join all AZL Partner meetings**
- Providing you with **digital networking options** at all AZL hybrid or video meeting
- The comprehensive **AZL Partner Section** remains as it is: closed for the AZL network, filled with all presentations and content from our meetings during 7 years of AZL partner cooperation.

# We can fully customize the tool according to your needs

We have developed the tool based on the needs that have been addressed in our network.

We will continue to develop it further.

Take advantage of this and share your ideas with us!
